

From Hospital Specialty Company, the industry leader for over 80 years:

The Touch-Free Restroom Just Got Even More Sanitary

First we introduced the Dual 1 Vendor to the industry, then the ED-1 with flashing empty indicators and now... **the most ADA-friendly and the only fully automatic vendor in the industry.**

The A1-50 Vendor -

"Automatic" Dual Dispenser - 50¢ vend, featuring our Maxithins® Ultra Thin with Wings Sanitary Napkin and Tampax® Tampons (will also vend any standard #4 size sanitary napkin box).

ADA friendly
the only vendor in the industry that extends only 4" from the wall.

Hands Free Operation
Simply insert 2 quarters and the product automatically dispenses at the bottom. **No external coin mechanisms requiring twisting or turning.**

Other Outstanding Features:

- Accepts only quarters, all other coinage ejects at the bottom
- If the machine is empty the quarters automatically eject
- Coin return button in case the user changes her mind or coins do not eject after the first quarter
- Extra sturdy spiral locks for increased security
- Runs on 3 'D' cell battery pack provided - approximately 3,000 vends per battery pack
- Steel casing for extra security
- More vandal resistant
- Large Coin Box
- Capacity: 20 No. 4 size box sanitary napkins, 30 tampons

- Dimensions: 27.8" x 15.2" x 4"
